

MUSIC AT HOME K-2

*Music at home can take many forms.
I have included a few different ways to work on musical
proficiency and enjoyment at home over the next few weeks.*

Students have explored my website during class and know how to access activities and videos that they can use during their time away. I will continue to add additional items over the next few weeks.

Music website: hanstead.weebly.com
Password for all protected pages: hanstead

Things on the site to explore:

Home learning – K-2 - Music games and activities

Classical – Many videos of classical movement turned into cartoons.

Watching Classical movement

****Peter and the Wolf – a student favourite!!**

Carnival of the Animals

Nutcracker

Fantasia and Looney Tunes

Dance – get up and move to the Just Dance videos the students have practiced in class

Doing our thing – videos of Centennial Students performing

Instrument Families – videos and interactive links

ANY other area on the site

Other activities that do not involve technology:

Dance Party!!

Air Band – as a family, sing along and pretend to play instruments

Share your favourite music with your kids

Make an instrument out of things in the house

Pour water into glasses and tap the sides to hear the different notes – make a song using them.

Having trouble getting on the music website?

It is accessible through our school website: centennial.sunrisesd.ca

Please email me at khanstead@sunrisesd.ca or call me at the school 204-345-2462 if you have any questions.

Mrs. Hanstead
